

AYLESBURY TOWN COUNCIL

Cemetery fees and charges from 1 April 2024

Charges for Aylesbury Residents and Non-Residents

Fees for Aylesbury Residents and Non-Residents are based on the following:

- Deceased resident/applicant non-resident - Resident fees
- Deceased non-resident/applicant resident - Resident fees
- Deceased non-resident/applicant non-resident - Non-Resident fees

'Residents' refers to those people that live in the Parish of Aylesbury, a map is displayed at the Town Hall outlining the specific boundaries and is available on the council's website. A resident is defined as somebody who immediately prior to their death, was a resident of the Parish of Aylesbury or who lived in the parish for over 10 years and moved into a nursing home less than 24 months before their death.

'Non-residents' refers to all those living outside of the above definition and thus includes neighbouring parishes such as Fairford Leys, Buckingham Park, Watermead, Bierton, Kingswood, etc.

The **Exclusive Rights of burial (EROB)** in Tring Road Cemetery Aylesbury, give you the right to bury in that plot for the next 99 years. Ashes plots can hold up to 2 sets of ashes. Full burial plots can hold up to 2 full burials and up to six ashes unless there is an administrative/legal reason not to do so.

Only the owner(s) of the exclusive rights can decide (and must sign to agree) who and when any burials take place in that plot (the only exception to this is when the owner is interred in the plot).

The **interment fee** is an administration charge incurred each time the plot is opened and covers the updating of the burial records.

The **memorial permit fee** gives permission for the owner to erect a memorial on the plot. Only the owner(s) can do this. The permit is to ensure all memorials conform to regulations at that time.
